

PupGrass®

Artificial Grass Built for Dogs

Pup-Grass Installation Detail Over Concrete

Use a 6" Non Galvanized Nail and Stretch Pup-Grass® Tight.
Nail approximately 8"-12" O.C. Making sure there are no wrinkles in the material.
Use a carpet kicker or a carpet stretcher.
At the edges nail 6"-8" apart making sure it is stretch as tight as possible.
Use a Powder Actuated Nailer. They are available for rent at Home Depot and Lowes.
